

§ 75A-13.1. Skin and scuba divers.

(a) No person shall engage in skin diving or scuba diving in the waters of this State that are open to boating, or assist in such diving, without displaying a diver's flag from a mast, buoy, or other structure at the place of diving; and no person shall display such flag except when diving operations are under way or in preparation.

(b) The diver's flag shall be square, not less than 12 inches on a side, and shall be of red background with a diagonal white stripe, of a width equal to one fifth of the flag's height, running from the upper corner adjacent to the mast downward to the opposite outside corner.

(c) No operator of a vessel under way in the waters of this State shall permit the vessel to approach closer than 50 feet to any structure from which a diver's flag is then being displayed, except where the flag is so positioned as to constitute an unreasonable obstruction to navigation; and no person shall engage in skin diving or scuba diving or display a diver's flag in any locality that will unreasonably obstruct vessels from making legitimate navigational use of the water.

(d) A person who violates a provision of this section is responsible for an infraction as provided in G.S. 14-3.1. (1969, c. 97, s. 1; 2006-185, s. 1; 2013-360, s. 18B.15(b); 2013-380, s. 6.)
